**Archer Items**

Nature is smiling on us these days. Everyone is feeling fine. Garden making and chicken raising are keeping the housewives busy, while the farmers are busy working the soil. Indeed, we are too busy to know of anyone's business but our own.

The K. & O. is still on the job. Monday they unloaded plank for the crossings along the line. They also unloaded lumber for stock yards at Archer. They are expecting a car of ties next Tuesday. In the next few days they will be full tied to the county line.

Miss Alma Scott called on Freda Heath Sunday.

Mr. Cockren and Mrs. Thomas of the railroad camp called at the Star ranch Sunday.

O. M. Nix, Mr. Mays and Mr. Hopewell were hauling grain to Liberal last week.

Don't forget the regular W. C. T. U meeting next Tuesday, April 11th, at Mrs. John Hall's.

Rev. Montgomery has been quite ill during the past week, but is much better at this time. Because of his illness, he was unable to fill his appointment at Golden Plains Sunday.

The next monthly meeting of the Junior Sunday school class will be held with Cecil and Harvey Harrell on Easter Sunday, at the home of

their parents, Mr. and Mrs. Will Harrell.

Henry Gartung was transacting business in Archer last Monday.

Sunday school and Young Peoples services were well attended last Sunday with a manifestation of growing interest. At the evening services the vocal solos given by Miss Marjorie Butcher and Alma Hopewell were particularly enjoyed, and the song rendered by the Juniors was a treat for all.

Wit without wisdom soon becomes wearisome.
